

Texas Chapter Public Works Project of the Year (page 1)

2010 TPWA Awards Program Supporting Data Form

Please address each of the following areas in your supporting documentation, adhering to the below sequence when possible.

- Completion date contained in contract. Any time extensions granted should be addressed in the submittal.
- Construction schedule, management, and control techniques used.
- Safety performance including number of loss-time injuries per 1,000 man-hours worked and overall safety program employed during the construction phase.
- Environmental considerations including special steps taken to preserve and protect the environment, endangered species, etc., during the construction phase.
- Community relations – a summary of the efforts by the agency, consultant and contractor to protect public lives and property, minimize public inconvenience, and improve relations.
- Unusual accomplishments under adverse conditions, including but not limited to, adverse weather, soil or site conditions, or other occurrences over which there was no control.
- Additional considerations you would like to bring to the attention of the project review panel such as innovations in technology and/or management applications during the project.

NOTE: Supporting documentation is limited to twenty (20) pages, exclusive of photographs and nomination form. This submittal will not be returned. When possible, please provide original photographs (black and white or color), as photographs (black and white or color), as photographs will be used for promotional purposes by TPWA. Original submittal and all copies should include nomination form and supporting documentation. Four copies of submittal are required.
